

PUNE BIOCLUSTER

Proteomics & Metabolomics National Workshop @ NCCS, Pune 10th -12th December 2025

Day 1: Sample Preparation

- Workshop inauguration
- Introduction lecture
- Extraction of proteome and metabolome
- In-solution digestion

Day 2: Proteomics

- TripleTOF 6600+ instrument demo
- TripleTOF 6600+ operation training
- SWATH & IDA data analysis in Spectronaut and ProteinPilot software

Day 3: Metabolomics

- QTRAP 6500+ LC-MS/MS System
- QTRAP 6500+ operation training & data analysis in Sciex OS software
- Certificate distribution

Who can apply

- ❖ Research scholars
- ❖ Scientists
- ❖ Facility managers
